### **Announcements:**

Last week's canoe trip was a great success. The rope swings and merit badge work were big hits (nothing like swamping canoes on a warm day). Thanks to Ben Tessler for taking the lead and getting the boys through all the on the water "wet" requirements.

#### **Popcorn (from Mrs. Jones):**

1. Popcorn sales: Together you sold \$932.22. A solid start on our Troop goal of \$7500. Thanks to all the boys and families who sold popcorn at Donelan's this Saturday. Great teamwork. Popcorn forms were mailed to your home in late August. Mrs. Jones has some extras if you email her.
2. October 7 Signup: Next show and sell date is at Donelan's again. We still need some scouts to fill the schedule. Preference will be given to those that have not had a chance yet. See the attached file for the schedule and email Mrs. Jones.

### **Troop Meetings:**

**Troop Meeting – 25 Sep** Finish work on the Canoe Merit Badge, we will work on rank advancement in anticipation of Family night on Oct 30. For the boys who are working on citizenship in the community, there will be time to work on the requirements for the merit badge.

**Troop Meeting – 2 Oct** We will meet **at Mr. Campbell's house** at 82 Nashoba Rd and hike to Mr. Hubbard's house (1 Meadow Dr). We **will not** meet at Russell Street café since it is being used. Parents can meet at my house to pick up the boys. This will be a night navigation and there will be plenty of adults to ensure the boys don't get lost on the old Cobb property. The boys will need to bring flashlights and appropriate clothing for the hike. Due to the recent reports of EEE, we would like to enforce a periodic spray down with Deep Woods Off. Also long pants and shirts would be appropriate.

### **Camping Fun:**

**Massasoit District Camporee – 12-14 Oct** This camporee is being run by the Littleton Troops at Grotonwood and we are looking for a good showing by the troop. This is a chance to meet and camp with other boys from throughout the region and participate in several competitions and demos. There will be demo's on tanning and leather projects, shelter building and a Tomahawk throw for those that are interested. We will also be looking for older boys to run demonstrations and competitions throughout the weekend so if you are interested, please let Brian O'Neil know.

**Iron Chef Prouty Woods –3-4 Nov.** This is a chance to show off your skills as an outdoor cook. In years past we have had chili, pulled pork, mozzarella sticks and Chicken Alfredo. We will be inviting the Weblo's 2's to come out and join us for a day of fun and hiking around the area.

**Laser Tag –8 Dec** While not camping the boys decided to have a day trip to do Laser Tag. I will send out more information on the event in next week's email.
